Adi Shankaracharya was one of the most important philosophers and religious leaders in Indian history and the Sanatana Dharma.

To this day, the entire knowledge system of Sanatana Dharma rests on a single entity—the guru. The tradition of the guru and disciple is the core of this dharma.

Sri Sharada Peetham at Sringeri undertakes propagation of Sanatana Dharma through a number of channels and the most authentic and important channel is through the Jagadgurus' of Sringeri. Over the centuries, the Sringeri Jagadgurus are renowned as the greatest upkeepers of the spirit of Sanatana Dharma.

Sanatana Dharma throughout the world look up to Jagadguru Adi Shankaracharya and his lineage of Sringeri Peetham for guidance, be it a matter of spiritual, or philosophical, or leading dharmic life.

We are very excited to listen to Dharmatma Dr. Yegnasubramanian talking in detail about the contributions of our Sringeri Jagadgurus' to Sanatana Dharma.

Dr. Yegnasubramanian (Dr. Mani) is a great force in spreading Sanatana Dharma for several decades not only in the United States but also across the globe. He has been serving our community and instrumental in building several temples across the US that are acting as Spiritual, Religious and Cultural Centers thereby ensuring that our principles of Sanatana Dharma are preserved for our future generations to follow.

For many years, Dr. Mani has dedicated much of his time, energy, resources and knowledge, through a steadfast devotion towards his guru and the scriptures. Dr. Mani has strived to propagate the teachings of our scriptures like the Vedas and the Bhagavad-Gita. He then established and managed the overseas branches of Sri Sharada Peetham in USA and Canada, renovating many old temples, conducting Vedic Sammelans in USA and India to honor and support Vedic scholars and to protect the propagation of all extant branches of the Vedas, conducting maha yajnas like Ati Rudram, Shata Chandi and Kuti Kumukumarchana, and supporting many Go-Shalas (Cow-shelters) to name a few. In recognition of his yeomen contributions over the years to Sanatana Dharma, he was conferred the title of "Dharmatma" by the Jagadguru in 2013.
